THE PEOPLE ALL

As Chorus Cried, Give Us Newbro's Herpicide.

This word of late has been in everyone's mouth, and many are wondering what the word signifies, though no one has yet been found, who will deny that NEWBRO'S HERPICIDE does the work. Well, for the information of thousands of people who like to know all about a good thing, we would say that HERPICIDE means, a destroyer or killer of "Herpes." Now "Herpes" is the family name of a disease caused by various vegetable parasites. A similar microbe causes dandruff, itching scalp, and falling hair; this is the microbe that NEWBRO'S HERPICIDE promptly destroys; after which the hair grows. Sold by leading druggists. Send 10c. in stamps for sample to The Herpicide Co., Detroit, Mich.

Frank R. Foulding, who was killed by a train while doing guard duty at Goulding station the other day, was buried Sunday. He was a personal friend of Gen. Lee, and one of the seventeen survivors of the famous Company F. Jefferson Davis legion, Georgia Huzzars.

An unknown negro was found on Sunday evening in Pensacola, near Bayou Texar, in a growth of bushes, where he had been murdered by some one for the purpose of robbery. Several bullets had been fired into the body of the man, and a search revealed the fact that the murder had been committed some distance away. The pockets were rifled of their contents.

Another Mysterious Murder.

New York, Sept. 19.—In the discovery of the body of a woman huddled underneath the rear step of a big tenement at 240 West Thirtieth street, today the police believe they had evidence of another murder. The victim, whose name was unknown, was about 30 years old and evidently in poor circumstances. When the body was lifted the head moved so easily as to indicate the woman's neck had been broken. The front of her waist was stained with blood. The section of the city where the body was found is known as Hell's Kitchen, and is the stamping ground of some tough characters.

Supreme Lodge of Knight of Honor.

Indianapolis, Sept. 19.—In the new building of the supreme lodge Knights and Ladies of Honor, 429 North Pennsylvania street, will be held this week the biennial convention of the supreme lodge, the most important meeting of the order. The supreme lodge will go into session tomorrow about 10 a. m. and its sessions will probably hold until Saturday, closing with the installation of officers of the ensuing year.

Like Finding Money.

Finding health is like finding money—so think those who are sick. When you have a cough, cold, sore throat, or chest irritation, better act promptly like W. C. Barber of Sandy Level, Va. He says: "I had a terrible chest trouble, caused by smoke and coal dust on my lungs; but, after finding no relief in other remedies, I was cured by Dr. King's New Discovery for consumption, coughs and colds." Greatest sale of any cough or lung medicine in the world. At all drug stores; 50c. and \$1; guaranteed. Trial bottle free.

Killed Wife and Self.

Crews, an old and prominent resident of this place, shot and killed his wife last evening, then turned the gun on himself and put a bullet into his head and died an hour afterwards. On their marriage, Crews signed over to his wife all of his property and the management of his former possessions have been one cause of the family troubles.

Get Off Cheap.

He may well think he has got off cheap who, after having contracted constipation or indigestion, is still able to perfectly restore his health. Nothing will do this but Dr. King's New Life Pills. A quick, pleasant and certain cure for headache, constipation, etc. 25c at all drug stores; guaranteed.

Drummer Drank Laudanum.

He was carried back to the scene of the killing and shot by a about a dozen men.

The Original.

Foley & Co., Chicago, originated Honey and Tar as a throat and lung remedy, and on account of the great merit and popularity of Foley's Honey and Tar many imitations are offered for the genuine. These worthless imitations have similar sounding names. Beware of them. The genuine Foley's Honey and Tar is in a yellow package. Ask for it and refuse any substitute. It is the best remedy for coughs and colds. J. W. McCollum & Co.
